

APPENDIX 2

Group discussion of assignment synopsis 1.

Thesis statement

- Is it clear, articulate and precise (delimited)?
- Is the thesis statement exciting/interesting/curious/active/problem-oriented?
- Can it be answered? Is it too small/too large/too general?

2. Literature

- Which literature is the most obvious?
- What are its potentials and limitations?
- Suggestions for secondary literature

3. Analytical strategy/theory

- Which theory/analytical strategy should be chosen?
- What are its potentials and limitations?
- How big should the theory section be?

4. Structure

- How should the assignment be structured?
- How big should the discussion section be in relation to the analysis?
- How can a red thread/progression be maintained?

5. Other point s

- Constructive criticism...
- Good advice
