

Questions for exercise 1:

1. What type of company or organisation is my internship host?
2. How did I make contact to the place? Was it easy or difficult to make contact and establish the agreement?
3. What will be my primary activity?
4. Was my project formulated by me or by the company/organisation?
5. Have I already experienced major challenges? If yes, how?
6. Mention two things I have already learnt – about myself or my academic competences – in the process.
